Employment opportunities for Agricultural Degree Holders

613. SHRI KRIPAL PARMAR:
SHRI BACHANI LEKHRAJ:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether a large number of Diploma/Graduate and Post-Graduate degree holders from Agriculture Universities/Institutions are facing the problem of unemployment due to scarce employment opportunities;

(b) if so, the details thereof;

(c) whether Government have chalked out any work plan to provide sufficient employment opportunities to them; and

(d) if so, the details thereof and the steps taken to implement the same?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) and (b) As per the projections available from the State Government/ Universities, about 5000-6000 Graduates in Agriculture and allied fields are unemployed in the country. Further, it takes 6 months to 3 years for Graduate/Post-Graduate in Agriculture to get gainful employment in Public/Private Sector.

(c) and (d) The Agriculture Policy has been formulated by Government of India which addresses to the issue of enhancement of employment potentials. Further, the Government of India has drafted

a Central Scheme for establishment of network of Agriculture/Agri-business to allow the Graduates to establish Agri-clinics/Agri-business centres in rural conditions for which a loan will be provided through banks. Initially it is proposed to extend this scheme to 5000 Graduates annually.

Further, with the support through Development Grant to State Agricultural Universities, counselling and placement cell have been established through which campus interviews and linkages with the line department and industries are being strengthened. This has already shown positive impact in improving employment potential especially in private sector.
